READ THIS.

Lexington, Tenn., June 5, 1901. This is to certify that about March last I suffered intensely with my back and kidneys. Just prior to this I had undergone treatment for bladder trouble and was relieved, except the treatment was followed by the above trouble. It was recommended that I try "Texas Wonder, Hall's Great Discovery." I took one dose on retiring at night, and to my agreeable astonishment, I found myself relieved. One dose did the work. There is no bosh about this. It is wonderful. Respectfully, C. R. Scott, Proprietor Scott House, formerly county chief clerk, postmaster, etc.

A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Smith, north side of square.

After a business visit here covering a period of several days, Col. W. S. Jordan, the efficient and clever insurance man of Jacksonville, expects to make his departure today for home. Col. Jordan has many friends who will be delighted to learn that he proposes to visit Gainesville quite frequently in future, since he good-naturedly declares W. E. Dow has furnished him an office to "loaf in."

After an absence of two months in Jacksonville P. H. Westgaard has returned to this city, where he will in future be connected with the Gainesville Foundry and Machine Works. Mr. Westgaard for some time owned and conducted a machine shop here, but sold his interests to the firm by whom he will now be employed. He is quite popular among the miners and sawmill men throughout this section, and will no doubt bring a great deal of business this way. Friends are glad to welcome him again.

Hon. Henry S. Chubb, receiver of the United States land office, has returned from Winter Park, where he has been on a visit to his family. Col. Chubb states that Orange county was never in a more prosperous condition in its history from every standpoint. The orange trees are blooming and shedding their fragrance throughout that section, and the prospects are for the best crop of the golden fruit ever known in that section. The tourists and winter residents are as thick as the proverbial bee, the hotels and boarding houses are crowded, and altogether Winter Park and Orlando are enjoying a most prosperous season.

John G. Dampier and son, Harry, of Hague were among those who paid Gainesville a visit yesterday. Mr. Dampier, who is chairman of the Board of County Commissioners, is enthusiastic on the road which is being constructed as an object-lesson road by the government. It is the Paradise road, and two miles, from North Gainesville Hall, will be constructed if the necessary funds can be raised. The county donated \$1,200 to the enterprise, and the remainder must be raised by the public. Padgett & Black subscribed \$84.50, Crawford & Davis \$25, W. R. Thomas \$25 and the Florida Fertilizer Company \$15, but more is needed, and Mr. Dampier has the list. Do not have a hesitancy in placing your name on the list.
